

MU Annual Gathering 2022 Belfast Waterfront Hall

The Gathering was in the impressive Waterfront Hall Conference Centre in sight of the two huge ship cranes 'Samson and Goliath' across the river. We heard some inspiring stories of MU initiatives including Barbara's presentation from Newcastle. The evening Concert was amazing and we were all able to join in some hymns.

Margy, Anne B and Anne C kept us on our toes, ensured we didn't get lost, and kept Facebook well supplied with photos.
