We are part of a worldwide Christian organisation with over 4 million members

We campaign to protect children in our society

Faith

All our work is based on our faith. Members meet and support each other in branches at their local church, or keep in email contact as Diocesan Members.

Our faith is expressed through prayer and worship, including an annual residential retreat and bigger celebration services, where our choir sings.

We also support five overseas links in Africa and India by prayer and correspondence.

Why join Mothers' Union?

Help us to continue to make a difference to families struggling on the edge.

We have members in towns, cities and rural areas in Newcastle Diocese.

Join us! Make new friends, have fun, help make a difference.
