

# SOMETHING WONDERFUL

Those who made Footsteps in Faith to the MU Festival in Benwell encountered **‘Something Wonderful’**

*“It was exactly what the title said -something wonderful did happen in Benwell today and I suspect will continue to happen!! Everyone was friendly and helpful!”*  
(A Mothers’ Union member)

*“What a wonderful day, meeting and sharing with some very special people. Thank you Newcastle MU and all at Benwell”*  
(June Houghton, our York Provincial President)

There is a buzz around the Diocese about the day. See what the Diocesan communications team wrote about it on their website:
