

Something Wonderful

is happening
in Benwell
every day!

In Benwell & Scotswood, on a hill above the Tyne, sits **St James' Church**... a place of great historic interest and a current haven with big-hearted people.

You've seen it in TV documentaries and on local and national news –

- a **community welfare hub**, open every day, where you can encounter, eat, learn, create, do and be 'something wonderful'.
- a meeting place for the **UK's largest Food Bank**. (Bishop Helen-Ann is its newly appointed patron.)
- where **DentAid** was recently welcomed to give free dental care to food bank clients and their children who cannot access NHS dentistry.
- the home of an **Art Club**, where anyone, free of charge, can explore their own artistic talents. Also a well-known **local history** group...

..and MUCH more: www.benwellscotswood.com/somethingwonderful

Mothers' Union members and friends have a wonderful opportunity to make some footsteps in faith to visit this hub of community care and creativity in Benwell and discover its historic roots and present-day shoots. Come, be blessed by 'Something Wonderful'
