

‘Threads Through Creation’ Exhibition

More Footstep in Faith for MU members – to Hexham Abbey

‘Threads through Creation’ is a spectacular sequence of twelve huge textile panels. It is an exuberant and moving retelling of the creation story of Genesis. Viewers discover a wonderful variety of colours, shapes, patterns – and of course lots of creatures! The exhibition is one of the largest textile projects by a single artist, ever. It has taken Jacqui nearly three years.

Let’s make more ‘Footsteps in Faith’ to Hexham this autumn.

9th October – 23rd November – HEXHAM ABBEY

“Entirely as we had expected, Threads through Creation is a triumph. We estimate about 19,000 visitors so far, and we have had some wonderful conversations – Salisbury Cathedral”
